

A woman with dark, curly hair and a concerned expression stands in a dimly lit room. She is wearing a long, black, sleeveless opera dress with intricate gold lace detailing along the neckline, down the front, and at the hem. She is holding a small, ornate glass object in her right hand. In the background, there is a table covered with a white lace tablecloth, a blue upholstered chair, and a lit candle in a silver holder. The lighting is dramatic, with strong highlights and deep shadows.
